

Do you have chemistry with a home?

A checklist to determine if you found the *One* and if you should go to second base.

Address					Address					Address				
First Impression					First Impression					First Impression				
Tip #101 Walk through a home more than once, so you don't miss important details.					Tip #4 Introduce yourself to the neighbors and learn facts about the area first hand.					Tip #31 Is your favorite grocery store within range?
